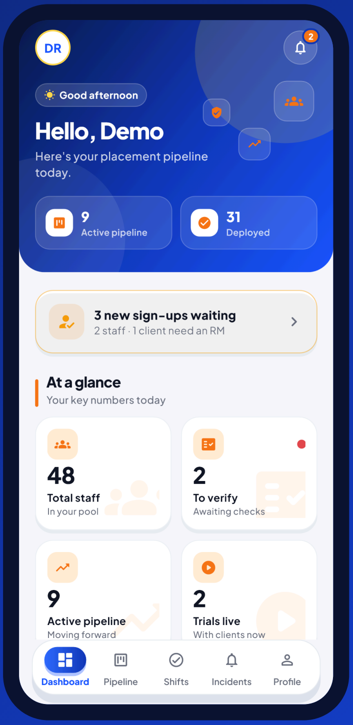
HOMEGENNY · GUIDE FOR RELATIONSHIP MANAGERS

Your day as a Relationship Manager

How to take on new sign-ups, get staff ready, place them with families, and keep daily work and monthly billing on track, all from the HomeGenny app.



Good afternoon

Hello, Demo

Here's your placement pipeline today.

9 Active pipeline

31 Deployed

3 new sign-ups waiting
2 staff · 1 client need an RM

At a glance

Base & proration

Monthly Salary	₹18000
Monthly Management Fee	₹3000
Prorated Gross Salary	₹14516
Prorated Management	₹2419

The pictures in this guide come from the HomeGenny app with sample names and numbers.

Your role

Families and staff never set up work with each other directly. **You sit between them.** You own every family and staff member you accept: you take staff through the joining steps, suggest staff to families, create the placement, watch the daily work, and send the monthly bill.

The five joining stages (S1–S5)	What happens
S1 Intake	Profile and documents are collected; refundable deposit is taken.
S2 Verification	Aadhaar, police check and medical (plus driving licence and e-challan for drivers).
S3 Training	Training material, quizzes and video certification.
S4 Agreements	The staff member signs the employment agreement (A1).
S5 Deploy	Ready to be placed with a family. Scope of work (A2) and indemnity (A3) are sent to the family here.

You move a staff member forward one stage at a time. The app does not let you skip a stage. At any stage you can also pause a case (**Deferred**) or close it (**Exited**).

1 Start of the day

Log in with your mobile number and the 6-digit code, the same way as everyone else. RM accounts are created by the back office; you can't sign up as an RM in the app.

Accept

These staff and clients signed up without an RM. Accept one to become their RM.

You will become the Relationship Manager for this staff member. They will be notified.

Accept

2 Accept new sign-ups

WHERE

Tap the **new sign-ups waiting** banner on the dashboard.

WHAT YOU SEE

Staff and families who signed up and don't have an RM yet. Filter by **Staff** or **Clients**.

WHAT TO DO

Tap **Call** to speak to them first if you like. Then tap **Accept** and confirm.

GOOD TO KNOW

The first RM to accept becomes their RM. If someone else got there first, you'll see that it's already taken.

Record Result

Police verification

4 Aadhaar and police checks

AADHAAR

Type the 12-digit Aadhaar number and tap **Send OTP**. The staff member reads you the OTP sent to their Aadhaar-linked phone; enter it to finish.

POLICE

Submit the police verification request (or **Re-submit PV Request**). When the back office has the result, choose **CLEAR** or **ADVERSE** under **Record Final Outcome**, add a note and tap **Record Result**.

MEDICAL

Choose **CLEAR** or **FAILED**, add the clinic or certificate reference and tap **Submit Medical Result**.

5

S3 training and S4 agreement

S3 TRAINING

Trainers approve or reject the staff member's videos. On **Video review** you see each submission as **Approved** or **Pending** and can play it back. When training is done, sign off and advance to S4.

S4 AGREEMENTS

Send the **A1 Employment agreement** for e-sign. It shows **Sent — waiting for the staff signature**, then **Signed**. Once signed, tap **Advance to Deploy (S5)**.

Sent

Client documents (scope of work, indemnity) are signed at Deploy (S5), once a client and placement are chosen.

Advance to Deploy (S5)

Sign A1 to advance to Deploy (S5).

S4 agreements

3 Matching and placing

When a family asks for staff, you suggest the best people and the family chooses. Then you place the chosen person on a trial.

Shortlisting is done in the web portal

Suggesting staff for a family's request (the shortlist) is done in the HomeGenny web portal, not in the app. The family then sees your suggestions in their app and taps **Choose** or **None of these**. If they choose "None of these", the request comes back to you with their reason.

Create trial placement

Create placement

1 Create the placement

WHERE

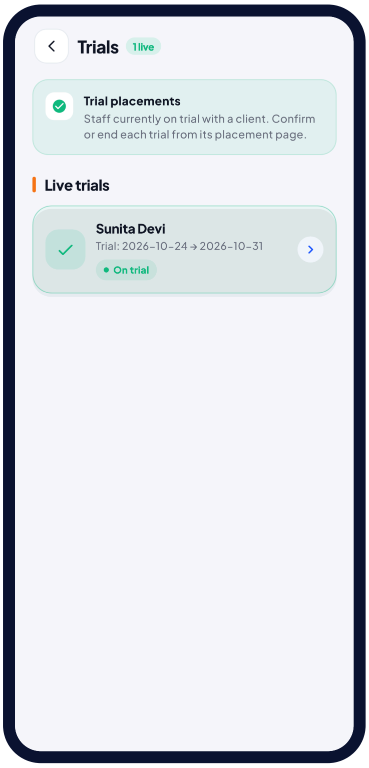
The staff member's S5 **Deploy** page. This only works once they are at S5.

WHAT TO DO

- Tap **Select client** and pick the family. The placement and the A2 and A3 documents are all tied to this family.
- Choose **Trial** (try first, confirm later) or **Confirm now** (skip the trial).
- Enter the monthly salary and management fee (**Simple**), or use **Detailed** for the full wage breakdown.
- Tap **Create trial placement**.

THEN

Send the family the **A2 Scope of work** and **A3 Indemnity** from the same S5 page.



Trials 1 live

Trial placements
Staff currently on trial with a client. Confirm or end each trial from its placement page.

2 Preview and generate the invoice

WHAT YOU SEE

A **Draft** for the month: attendance (billable days), salary and management fee prorated to those days, the payroll calculation (ESIC and PF, employee and employer shares, GST on the fee) and the **client total charge**.

WHAT TO DO

Check the numbers, use the arrows to change month if needed, and tap **Generate invoice**.

WHAT HAPPENS NEXT

The family sees the invoice in their **Pay** tab. Finance runs payroll from the web portal, and the staff member's salary goes to their bank account.

Common questions

Can I move someone from S2 straight to S4?

No. Staff move one stage at a time, and the server refuses any skip.

Another RM accepted the sign-up I wanted.

The first RM to accept owns the person. Talk to your branch manager if it needs to change.

A family rejected every staff member I suggested.

Their request comes back to you with their reason. Shortlist new staff in the web portal.

What deposit do staff pay at intake?

A refundable deposit: ₹1,000 for UC and CK, ₹1,500 for SC, ₹2,000 for DR and ₹500 for MAID (DR and MAID are paused for new staff).

Where are payroll and settlements done?

Finance runs payroll, settlements and exit settlements in the web portal. You generate the client invoice in the app.
